## NOTES

To LIGHT UP the studio, please turn on one of the modeling lights on the rear end of the strobe.

The REMOTE TRIGGERS are in the box on top of a green speaker on a white cabinet on the left-hand side. It is very IMPORTANT to put them back in the same spot after your session is done. There will be a \$50 fee if you lost them and impact the bookings after you, because it's a must-have for the studio lights to work.

The COLOR BACKDROPS are behind the studio door. Please clamp them on the cord in front of the white backdrop. NEVER take down the white backdrop. Please roll them up and put them back after every use.

Some basic studio light SETTING INSTRUCTIONS are on a print-out stand in the sunroom area. It is also available in PDF format here: <http://www.sunnyvalephotostudio.com/sunnyvalephotostudio101.pdf>

Please keep things CLEAN and RETURN them to their original place. Please TURN OFF all lights & heater/fans after your session. Or a cleaning/ maintenance fee of \$50 or more will be charged.

There might be a session right before or after you. Please plan your setting up and wrapping up time WITHIN your session. Any OVERTIME will be charged for \$5/ 10 mins.

SESSION EXTENSION is possible with a 30-min notice by texting to 408-673-7321. Manager's approval is needed. Extended hour rate will be the same as your booked session hourly rate. PayPal the payment to sunnyvale-studio@gmail.com or cash payment is also accepted.

Please lock all the windows and doors when you leave. To lock the fence door, please dial the entry code and align, then slide the button to lock. After locking successfully, please dial the number back to 0000.

If you have any questions, please text/ call at 408-673-7321.
